

VIP treatment from Apple Store & John Lewis

The Apple store and John Lewis at the Watford INTU centre, hosted our music group with a tailored programme where everyone learned how to make soulful music on iPads and play it to everyone in the store. A hard earned cake and coffee was the reward from John Lewis, where staff from the Audio department came down to chat to us to find out more about our experience making music. Both Apple and John Lewis have contacted us again to ask if we can come back to enjoy more opportunities. Watch this space.....

Noah's Ark Easter Play Scheme

A fun filled Easter play scheme including music with Sian and lots more creative activities. A questionnaire was handed out to parents asking for their input on services and future opportunities they would like for their children. A date will be announced soon for more discussion on this topic.

For more information on Noah's Ark or to find out more about the job opportunities, contact Rochelle Gould, Play-scheme coordinator on 020 8906 2783 or noahs-ark@live.co.uk
